The Old Reliable Jewelry House

of Hopkinsville is, after all, the best place to get anything in the jewelry line. There's a record behind us, a record of over thirty years; a clean record of satisfied customers, a record of honest dealing, for honest quality, honest prices. It's a record any Jeweler might feel proud of. And when we sell an article we have in mind that we have a record to maintain, and no slipshod methods, no careless workmanship, no lack of quality, is ever allowed to mar the record of the past. But to improve, if possible, this record, is ever our aim, and goods are sold for as low a price as it is possible to sell reliable goods.

It will pay you in the end to deal with the Old Reliable Jeweler.

A COSTLY THROW.

Stone Thrown at Negro Breaks Plate Glass Window.

Manford Ransom, a young man employed at Bowles' photograph gallery, had a few words with a negro Thursday afternoon, when the negro used some insulting language. Young Ransom stooped down and picked up a stone nearly as large as a man's fist and hurled it at the negro. Missing the negro, the stone struck Twyman's & Ferguson's wagon and glanced, going through the show window at Keach's furniture store. To replace the broken plate glass will cost Ransom between \$25 and \$30. He told the proprietor to have a new glass put in and carry the bill to him and he would pay it.

REWARD INCREASED.

Citizens of Trenton Supplement the State Reward For Ray.

The murder of John C. Dickinson, city marshal of Trenton, which occurred on Sept. 8, has thoroughly aroused the citizens of that section. There is now a reward of \$750 offered for the arrest of Godfrey Ray, the negro who shot down the officer, \$400 having been offered by the State of Kentucky and \$350 by citizens.

City Marshal Dickinson was in the act of arresting Ray, when he was shot and killed. The officer did not have his revolver with him when he walked up to Ray and told him he had a warrant for his arrest. The negro stepped back and drew a pistol and shot the officer.

Ray is about 25 or 30 years old, 5 feet and 8 or 10 inches in height; has very dark brown complexion, and weighs 165 to 175 pounds. He was clean shaven, has a large mouth, notably thick lips, broad teeth, with space between upper front teeth, has broad shoulders, large white eyes, carries one shoulder higher than the other, wears hat low in front and has a sullen look. When last seen he wore a light coat, black pants, white shirt and sailor. Information as to the reward can be secured at the Bank of Trenton.

CHANGES

Made In the Office of the City Light Co.

There have been two changes made in the office force of the City Light Co. Mr. Hugo Rex, who has been soliciting for the company, has been made meter reader and collector. He takes the place of Mr. Charles Lander, who has been reader and collector for both the Light and Water Co. for over a year. Mr. Lander is now collector for the Water Company. The Water and Light companies are now two separate corporations. The young men connected with each are well-known, attentive to business and will prove acceptable to our citizens in their different capacities.

Mr. F. Louis Marshall, the superintendent of the Light Co., is giving the machinery, pipes, etc., of the gas department a general overhauling, and will soon begin the work of extending the mains. He will also in a short time put up new arc lights on the streets and otherwise improve the service of both departments. It is the intention of the company to give the city and the people nothing but the very best for their money.

Mr. L. M. Shepard, the manager of the gas and light plants, left Thursday for a vacation. Since he came down from St. Louis, two or months he has been so constantly at work that his health had begun to give way. His physician advised him by all means to go home and recuperate.

The Kelly Trial.

The trial of John W. Kelly, for misappropriating trust funds, will be called at Cadiz Monday. SURPRISE WEDDING.

Hopkinsville Girl Meets Old Sweetheart In Louisville After Seven Years.

WILL RESIDE THERE.

Jeffersonville, Ind., Chosen As the Place Where the Knot Should Be Tied.

Information was received here Wednesday of a romantic wedding that was a surprise to the relatives and friends of the bride. Miss Francis C. Ducker, the youngest daughter of Mrs. Mary S. Ducker, of this city, was married to Mr. Jas. R. Munkle, of Bowling Green. The wedding occurred in Jeffersonville, Indiana.

The marriage was the culmination of an attachment formed nine years ago, which resulted in an engagement, but Cupid's victims had a misunderstanding, peculiar to young lovers, and the engagement was broken off. For seven long years the young lovers had not seen each other, and with no prospect that they would ever meet again.

Miss Ducker, who is a milliner, had gone to Louisville, not long since, and accepted a position with Cannon & Byars, Louisville milliners. The firm had sent her to Shelbyville to attend to the firm's interests there during the season. Wednesday Miss Ducker took a train for Louisville, to do some shopping and to visit her sister, Mrs. C. K. Sisco, who resides on West Chestnut street. As she was coming out of a store on Fourth Avenue the old lovers met face to face.

The recognition was mutual, and the greetings of the day were exchanged, which opened up a conversation and soon led to explanations. In a few minutes the unhappy past was forgiven and forgotten, and the happy young couple, turning their faces to the North, boarded an interurban car and crossed the Ohio river and went over to Jeffersonville and were made man and wife.

The mother and sisters of the bride here were, of course, greatly surprised at receiving the telegram which notified them what had occurred, and the glad news was soon given to the relatives and friends of the family.

The groom is a native of Pittsburgh, but more recently has been in business in Bowling Green. Since the wedding Mr. and Mrs. Munkle have made arrangements to locate in Louisville.

FOR PENSACOLA, FLA.,

Mr. F. L. Wilkinson and Family Will Leave.

Mr. Ford L. Wilkinson and family will leave for Pensacola to-morrow night and Mr. Wilkinson will become vice-president of a new bank about to be started and will also enter upon the practice of law.

Mr. Wilkinson has been a resident of Hopkinsville for more than ten years, coming from Elkton, Ky., and has been very successful as a member of the local bar. He has been connected with many important business enterprises, the most important being the Illinois Central Belt Line, now approaching completion, in which he was a chief promoter, and aided greatly in steering the enterprise through some very troublesome legal complications.

The family lived in one of the handsomest homes on South Main street and Mr. and Mrs. Wilkinson will be missed from social circles, in which they were very popular.

We join with their many friends in wishing for Mr. Wilkinson and his family a happy and successful career in their adopted home.
